Re: J. Barrows, Inc. v. Uvino;
Uvino v. Kaehler-Moore Architects, LLC, et. al.

Dear Judge Wexler:

As I've discussed with Mr. Ausilli, the Uvinos currently intend to make motions pursuant to FRCP 59 for a new trial as to Hampton and for a new trial as to damages against KMA. As we are unable to receive the transcript until April 10, we requested additional time to April 13, 2012 to make these motions. At Mr. Ausilli's request, I have conferred with counsel, and Mr. Platek agrees to make his motion on April 13 as well, and Mr. Byrne has also consented to that date. We appreciate being permitted to adjust the post trial schedule.

Respectfully submitted,

William F. Dahill
